BERLIN NIGHT EMBASSY: THIRD RESIDENCY ON OCTOBER 4TH

++ PERIPHERAL INTUITIONS START THEIR PROGRAMME ++
++ TWO WEEKS OF EXPERIENTIAL ART AND NIGHTLIFE HEALING ++

The BERLIN NIGHT EMBASSY by Jägermeister will continue to progress Berlin nightlife. The third Ambassadors of the Night are **Peripheral Intuitions** who represent the peripheries and want to blur the image of nightlife. Their residency focuses on self-care and will transform the club into a space that allows for a healing experience.

When? October 4 - October 18, 2019

Where? Falckensteinstraße 48, 10997 Berlin

PERIPHERAL INTUITIONS:

Reggaeton and Electro Arab Percussion, herbal workshops and shamanic rituals: **Peripheral Intuitions'** residency allows for a many-faceted cultural adventure that celebrates the capacity for creation and radical change from people living within various peripheries - of gender, geography, art forms, politics, and cultures.

Peripheral Intuitions is born from the collaboration of two Berlin-based Puerto Rican artists and cultural organizers: Chaveli Sifre Riestra and Jorge Vega Matos. Their individual research is centered around gatherings, and tapping into both traditional practices and new cultures to create spaces for self-reflection, individual encounters, and collective healing. They build on their research as an experiment focused on the experience, traditions and cultures from those in different types of peripheries.

Under the curatorial direction of **Peripheral Intuitions**, the NIGHT EMBASSY will be a free-to-the-public showcase of their work inside a day-to-night music & arts programme: it represents a somatic conception of life. Participants ought to remember that the future should feel like freedom and opportunity, weirdness and pleasure. **Peripheral Intuitions** are given a blank canvas to explore their topics and concepts.

The NIGHT EMBASSY draws inspiration from both Jägermeister's own heritage of irreverent perfectionism and the freeform creativity of Berlin's long-standing nightlife and art scene. As such, Jägermeister welcomes artists based in Berlin from any background, age and level of experience: The NIGHT EMBASSY is open to all bold thinkers committed to bringing their ideas to life. Our selected projects shine a light on new possibilities for artforms connected to club culture, and foster a strong sense of community.

The NIGHT EMBASSY is supported of the NIGHT EMBASSY Creative Board, 5 renowned figures known for their contributions to Berlin's club and music culture: **Lutz Leichsenring**, executive member of the Berlin Club Commission; **Christine Kakaire**, music journalist; **Dimitri Hegemann**, Berlin club luminary and founder of Tresor; **Linnea Palmestål**, DJ, activist and founder of women's, trans and non-binary collective No Shade; and **Bernard Koomson**, DJ and founder of artist collective deadHYPE.
