#### **CO:QUO X DIGI-GXL:**

New technologies mean new horizons for art, music, and culture. **CO:QUO x Digi-Gxl** are breaking boundaries and exploring what it means to be human in rapidly changing virtual landscapes. Digi-Gxl is a global network of womxn, trans and non-binary creatives working in 3D animation and digital art. CO:QUO is a femme collective aiming to co-create and address conditions that have negative impacts on society through music, workshops, and discussions. Together they uphold themes of diversity, inclusivity, and liminality in the visual and performing arts.

**CO:QUO x Digi-Gxl** are given a blank canvas to explore their topics and concepts with the support of the NIGHT EMBASSY Creative Board, 5 renowned figures known for their contributions to Berlin's club and music culture: **Lutz Leichsenring**, executive member of the Berlin Club Commission; **Christine Kakaire**, music journalist; **Dimitri Hegemann**, Berlin club luminary and founder of Tresor; **Linnea Palmestål**, DJ, activist and founder of women's, trans and non-binary collective No Shade; and **Bernard Koomson**, DJ and founder of artist collective deadHYPE.

Under the curatorial direction of **CO:QUO x Digi-Gxl**, the NIGHT EMBASSY will be a free-to-the-public showcase of their work inside a day-to-night music & arts programme: They will partner with **Beatport, i-D Germany, shesaid.so, Factory Berlin, Keychange, aequa, ProtoPixel, Songversations, Clustered, Sirens on Stage**, and **nomtek** for an array of panels and workshops addressing topics such as identity and diversity. They will also host concerts and club nights with lineups including **Machine Woman, Mariama, Alison Swing, Clara Cuvé, Darwin, ketia, Juba**, AI tech star **CJ Carr** from DADABOTS, and several local Berlin DJ collectives. Digi-Gxl will transform the modular space with interactive installations and compelling visuals in an exhibition, open daily. They will close out their residency on September 17th with a collaborative AI performance between **Portrait XO**, CJ Carr, and Digi-Gxl.

The NIGHT EMBASSY draws inspiration from both Jägermeister's own heritage of irreverent perfectionism and the freeform creativity of Berlin's long-standing nightlife and art scene. As such, Jägermeister welcomes artists based in Berlin from any background, age and level of experience: The NIGHT EMBASSY is open to all bold thinkers committed to bringing their ideas to life. Our selected projects shine a light on new possibilities for artforms connected to club culture, and foster a strong sense of community.
